

Career Project

Babysitter

Child care workers nurture and care for children who have not yet entered formal schooling. They also supervise older children before and after school. These workers play an

important role in children's development by caring for them when

parents are at work or away for other reasons. They organize activities to develop children's minds.

Education-The education for babysitting is very wide. Depending on the state you live in, it differs.

Job Outlook

Child care workers are expected to experience job growth that is faster than the average for all occupations.

Salary.

\$17,630-\$27,050.

Depending on your education.

Most of child care is self employed.

Social worker

Social work is a profession for those with a strong desire to help improve people's lives. Social workers assist people by helping them cope with issues in their everyday lives, deal

with their relationships, and solve personal and family problems. They may arrange for at-home services, such as meals-on-wheels or home care.

They may help with some drug abuse also including abuse of alcohol, tobacco, or other drugs.

Job Outlook

It is expected it to grow, because of the population growth.

Education

The minimum you need is a bachelors degree.

I want to do this job because I love helping kids. It means I care enough to help someone besides my self and as long as I can give a kid a greater life that is more then some can do.

Salary.

If you working with children and families you can make up to 280,00.
