

The last vacation I took was with a couple of friends. The friends that I went with were some of my best friends, Lindsey, Kaite, and Ciera. We had been planning this trip for while, and we were very excited.

The ride to Kansas City was long, because we chose to drive. Lindsey's mom was taking us, so she was driving. I somewhat felt sorry for her, because she couldn't sleep like the rest of us. We were up only for a little bit of the drive, and then fell asleep nearly the rest of the way.

On our trip, we went to Kansas City. We stayed in a hotel when we got there. By the time we arrived there, we were starving. Since our hotel was so close to Wendys, we decided to walk there. All of us got a malt, then headed back to the hotel to get some sleep.

Our next day was spent in Worlds of Fun. We had a great time. We rode nearly every ride, and a lot of them many more times than once. It was a nice day out, and not crowded. It was the perfect day to go.

By the time we left, it was somewhere around 9:30. We drove home that night. Surprisingly, after our long day, we didn't even sleep on the way back. We were up the whole way home. Even though we had such a great time, it was good to be home again.
