Dear Governor Heineman,

I am writing to you regarding the State Fair.

I do not think that the State Fair should be moved to Grand Island. I do not think it should be moved because all of the buildings for it are already in Lancaster County. Everything fits together nicely, and everybody knows where to go for the different activities.

The State Fair has been in Lancaster County for years. If we move it now, not as many people would go to the fair. It is a tradition to be in Lancaster, and would be a waste of money to move it. If they want a new research building, I think that they can find a different location for it than the fair grounds.

Thank you for taking the time to read my letter. It would be greatly appreciated if you did not move the fair grounds. It would save a lot of time and money if it would stay in Lancaster.

Sincerely,

Heather Kuhlman
