Dear Governor Dave Hieneman

Iraq War

I think that the Iraq War should be ended because the soldiers are dieing and people are getting hert. Also the soldiers family's are probably worried and are waiting for them to come home. Also when I get out of High School I'm going to join the marines and I don't want my family to have to go though that.

So if you can do anything about this please do ASAP THANKS a lot.

Sincerely,

Jeremiah Ihde
